Product Description

Our largest compressor in the Peerless Black Range, the 17000 Petrol offers an impressive 320 Litres per minute of Free Air Delivery blowing away our competition. Equipped with a genuine Honda GX200 Petrol Motor with a 3 year warranty this compressor is built to last.

The tank boasts dual outlets and a Conrader style Idle Control Valve making this quite

a remarkable and extremely efficient Light Industrial Air Compressor.

Our Peerless Black alloy side by side pump with a cast iron barrel has proven to be reliable and longlasting since the induction of it a few years ago.
